Welcome to the new millennium!

We survived at our house with no noticeable difference except that we got a delivery from Santa in the form of an eight year old grandson come to stay. That would be Bret and those of you who know the story know the story. Needless to say our cup runneth over.

CALENDAR

January 9, 2000 Monthly PFLAG meeting at 110 Calla. 2:00 PM. Jalia has most graciously offered to provide refreshments since we have not yet had the sign up sheet passed around. Bring your own beverage and join us to plan for the coming year.

February 2, 2000 **PA2** will begin having meetings on the first Wednesday as opposed to the first Monday until June. Meetings will be at 7:00 PM at the McClelland Library in the Junction on Abriendo.

Loulou's Little Gossip Corner

Sam and Chris were down over Christmas. I am happy to report that Denver General passed into the year 2000 without a glitch. Sam had to work the shift that would have had all the trouble, but like he said the only thing he could have done would have been the first to know! ***What was all the fuss about, anyway?***

Mike D searched high and low and guess where it was? Right there where he put it in the first place! Welcome back 10 little tickets!

The ***cookie bags*** were greatly appreciated by the SCAP clients. It is the one time of year that they can all get home made goodies and they really like them.

I heard from ***Rusty and Pepper,*** but then they dropped from sight. Perhaps I should e mail them.

Sorry this is so short, but there really isn't much going on this time of year and you are probably tired of reading anyway. See you at the meeting!
